Upon release, the Adopting Order and this Consent Decree shall have the same force and effect as any other Order of the Bureau. Any violation of the Adopting Order or of the terms of this Consent Decree shall constitute a separate violation of a Bureau order, entitling the Bureau to exercise any rights and remedies attendant to the enforcement of a Commission Order.

8. **Termination of Investigations.** In express reliance on the covenants and representations in this Consent Decree and to avoid further expenditure of public resources, the Bureau agrees to terminate its Investigations without any finding of liability on the part of Windstream. In consideration for the termination of said investigations, Windstream agrees to the terms, conditions, and procedures contained herein. The Bureau further agrees that, in the absence of new material evidence that suggests any misrepresentation or lack of candor by Windstream in connection with the Investigations, it will not use the facts developed in the investigations through the Effective Date, or the existence of this Consent Decree, to institute, on its own motion, or refer to the Commission, any new proceeding, formal or informal, or take on its own motion, or refer to the Commission, any action against Windstream for possible violations of Part 4 of the Commission's rules regarding the reporting of network outages that were subject to these investigations prior to the Effective Date. The Bureau also agrees that it will not institute, on its own motion or in response to third-party objection, or refer to the Commission, any new proceeding, formal or informal, or take or refer to the Commission any action on its own motion against Windstream for possible past violations of Part 4 of the Commission's rules regarding the reporting of network outages prior to the Effective Date. Windstream represents that it has no knowledge of any failure to disclose reportable outages to the Commission during the period between the network outages that were the subject of the investigations and the Effective Date. 9. **Compliance Plan.** For purposes of settling the matters set forth herein, Windstream agrees that it will develop, within thirty (30) calendar days from the Effective Date, an internal Compliance Plan to ensure Windstream's future compliance with the Commission's regulations in Part 4 of its Rules regarding the reporting of disruptions to communications. The Compliance Plan will include, at a minimum, the following components:

- (a) **Compliance Training Program.** Windstream shall establish and maintain an FCC outage reporting training program, as detailed below, for all employees who are responsible for analyzing technical information regarding Windstream's network outages, entering information into any Windstream database(s) and/or record(s) that form the basis of Windstream's reporting of network outages to the Commission, and compiling and/or submitting Windstream's outage reports to the Commission.<sup>6</sup>

---

<sup>6</sup> Under this provision, Windstream will not be required to provide outage reporting compliance training to employees other than those whose responsibilities include analyzing technical information regarding Windstream's network outages, entering information into Windstream's database(s) and/or record(s) that form the basis of Windstream's reporting of network outages to the Commission, and compiling and/or submitting Windstream's outage reports to the Commission.

- i. Windstream's Compliance Training Program shall address, at a minimum, the FCC's Rules governing the reporting of network outages, the information and calculations necessary to determine whether an outage is reportable under the FCC's Rules, and the time periods during which notifications and reports of reportable outages must be submitted to the FCC. Windstream's Compliance Training Program shall also address the methods and procedures adopted by Windstream to identify and report those network outages that satisfy the FCC's reporting criteria in order to ensure compliance with the FCC's outage reporting Rules. The training program shall also include information on the potential internal and regulatory consequences of failing to comply with Windstream's methods and procedures and/or the FCC's outage reporting requirements.
  - ii. Windstream shall provide the foregoing outage reporting training within six months of the Effective Date and will update the training at least annually for employees who are responsible for analyzing technical information regarding Windstream's network outages, entering information into any Windstream database(s) and/or record(s) that form the basis of Windstream's reporting of network outages to the Commission, and compiling and/or submitting Windstream's outage reports to the Commission. Windstream will also provide training to new employees responsible for these activities.
  - iii. Windstream shall update and enhance the foregoing training regarding the FCC's outage reporting requirements as appropriate and necessary.
- (b) **Compliance Reports.** Windstream will file compliance reports with the Commission ninety (90) days after the Effective Date, twelve (12) months and twenty-four (24) months after the Effective Date. Each compliance report shall include a compliance certificate from an officer, as an agent of Windstream, stating that the officer has personal knowledge that Windstream has established operating procedures intended to ensure compliance with this Consent Decree, together with an accompanying statement explaining the basis for the officer's compliance certification. All compliance reports shall be submitted to the Chief, Spectrum Enforcement Division, Enforcement Bureau, Federal Communications Commission, 445 12<sup>th</sup> Street, S.W., Washington, D.C. 20554. All reports shall also be submitted electronically to Kathryn S. Berthot, Chief, Spectrum Enforcement Division at [kathy.berthot@fcc.gov](mailto:kathy.berthot@fcc.gov) and Ava Holly Berland at [holly.berland@fcc.gov](mailto:holly.berland@fcc.gov).
- (c) **Termination.** The provisions of this paragraph shall remain in effect for two (2) years from the Effective Date.

10. **Section 208 Complaints; Subsequent Investigations.** Nothing in this Consent Decree shall prevent the Commission or its delegated authority from adjudicating complaints filed pursuant to Section 208 of the Act against Windstream or its affiliates for alleged violations of the Act, or for any other type of alleged misconduct, regardless of when such misconduct took place. The Commission's adjudication of any such complaint will be based solely on the record developed in that proceeding. Except as expressly provided in this Consent Decree, this Consent Decree shall not prevent the Commission from investigating new evidence of noncompliance by Windstream with the Act, the Rules, or Commission Orders.

11. **Voluntary Contribution.** Windstream agrees that it will make a voluntary contribution to the United States Treasury, in the amount of two hundred thousand dollars (\$200,000). The payment will be made within thirty (30) days after the Effective Date of the Adopting Order. Windstream will also send electronic notification on the date said payment is made to [Kathy.Berthot@fcc.gov](mailto:Kathy.Berthot@fcc.gov) and [Holly.Berland@fcc.gov](mailto:Holly.Berland@fcc.gov).

12. **Waivers.** Windstream waives any and all rights it may have to seek administrative or judicial reconsideration, review, appeal or stay, or to otherwise challenge or contest the validity of this Consent Decree and the Adopting Order, provided the Bureau issues an Adopting Order adopting the Consent Decree without change, addition, modification, or deletion. Windstream shall retain the right to challenge Commission interpretation of the Consent Decree or any terms contained herein. If either Party (or the United States on behalf of the Commission) brings a judicial action to enforce the terms of the Adopting Order, neither Windstream nor the Commission shall contest the validity of the Consent Decree or the Adopting Order, and Windstream shall waive any statutory right to a trial *de novo*. Windstream, however, may present evidence that it has not violated the Consent Decree. In addition, nothing in this Consent Decree shall preclude Windstream from petitioning the Commission for relief as to future obligations under Part 4 of the Commission's Rules. Windstream hereby agrees to waive any claims it may otherwise have under the Equal Access to Justice Act, 5 U.S.C. § 504 and 47 C.F.R. § 1.1501 *et seq.*, relating to the matters addressed in this Consent Decree.

13. **Invalidity.** In the event that this Consent Decree is rendered invalid by any court of competent jurisdiction, it shall become null and void and may not be used in any manner in any legal proceeding.

14. **Subsequent Rule or Order.** The Parties agree that if any provision of the Consent Decree conflicts with any subsequent rule or Order adopted by the Commission (except an Order specifically intended to revise the terms of this Consent Decree to which Windstream does not expressly consent), that provision will be superseded by such Commission Rule or Order.

15. **Successors and Assigns.** Windstream agrees that the provisions of this Consent decree shall be binding on its successors, assigns, and transferees.

16. **Final Settlement.** The Parties agree and acknowledge that this Consent Decree shall constitute a final settlement between the Parties. The Parties further agree that this Consent Decree does not constitute either an adjudication on the merits or a factual or legal finding or determination regarding any compliance or noncompliance with the requirements of the Act or the Commission's Rules and Orders. The Parties agree that this Consent Decree is for settlement purposes only and that by agreeing to this Consent Decree, Windstream does not admit or deny noncompliance, violation or liability for violating the Act or the Rules in connection with the matters that are the subject of this Consent Decree.

17. **Modifications.** This Consent Decree cannot be modified without the advance written consent of both Parties.

18. **Paragraph Headings.** The headings of the Paragraphs in this Consent Decree are inserted for convenience only and are not intended to affect the meaning or interpretation of this Consent Decree.
